Division of Corporate and Consumer Services

Mailing Address: PO Box 7879 Madison, WI 53707-7879

# FORM #1952 - WISCONSIN SUPPLEMENT TO FINANCIAL REPORT

Purpose: Charitable organizations that are registered, or are required to be registered, with the Department of Financial Institutions — Division of Corporate and Consumer Services ("division") must file an annual financial report with the division within 12 months after the organization's fiscal year-end unless the organization qualifies for an exemption from the annual filing requirement.

An organization must file its annual report on Form #308 or on Form #1952. This form, Form #1952, is a shorter, more commonly used version of the annual report form and must be accompanied by the organization's IRS 990, 990EZ, or 990-PF. If an organization is unable to submit an IRS 990, 990EZ, or 990-PF, it should submit Form #308 to the division instead of Form #1952.

Please note that an organization may not have to file a Form #308 or a Form #1952 if:

- it received \$25,000 or less in contributions during its most recently completed fiscal year, or
- it operates solely in the county in which its principal office is located <u>and</u> received less than \$50,000 in contributions during its most recently completed fiscal year.

If the organization's contributions fall into either of the above categories, an Affidavit in Lieu of Annual Financial Report (Form #1943) should be submitted instead of Form #308 or Form #1952.

We have reviewed the accompanying financial statements of Wildlife in Need Center, Ltd.. (a nonprofit organization), which comprise the statement of financial position as of March 31, 2019, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Accountants' Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

#### Accountants' Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

### NOTES TO FINANCIAL STATEMENTS March 31, 2019 and 2018 See Independent Accountants' Review Report

### Note 1 - Summary of Significant Accounting Policies

### A. Nature of activities

Wildlife in Need Center, Ltd. (the Center) is a nonprofit organization located in Waukesha County, Wisconsin. The Center provides wildlife rehabilitation to Wisconsin wildlife with the intent to release back to their native habitat, conduct research designed to further the positive impact of rehabilitation, and provide quality community education programs and services.

### B. Method of accounting

The financial statements of the Center have been prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America.

### C. Basis of presentation

The Center reports information regarding its financial position and activities according to two classes of net assets:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

### D. Investments

Investment purchases are recorded at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statements of financial position. Net investment income (loss) is reported in the statement of activities and consists of interest and dividend income, realized and unrealized gains and losses, less investment expenses.

#### E. Property and equipment

Property and equipment additions over \$500 are recorded at cost, or if donated, at fair value on the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 25 years. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the consolidated statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

### Note 1 - Summary of Significant Accounting Policies (continued)

### F. Impairment of long-lived assets

The Center reviews long-lived assets, including fixed assets, for impairment whenever events or changes in business circumstances indicate that the carrying amount of an asset may not be fully recoverable. An impairment loss would be recognized when the estimated future cash flows from the use of the asset are less than the carrying amount of that asset. There have been no such losses for the years ended March 31, 2019 and 2018.

#### G. Income taxes

The Internal Revenue Service has determined the Center to be exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and applicable state statutes. Accordingly, no provision for income taxes has been made in the accompanying financial statements.

The Center's income tax returns are subject to review and examination by federal and state authorities. The Center is not aware of any activities that would jeopardize its tax-exempt status.

### H. Functional allocation of expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional and expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

### I. Donations

The financial statements do not include amounts for donated services. The Center pays for most services requiring specific expertise. However, many volunteers have donated their time to the Center for its program services.

Donations in-kind as of March 31, 2019 and 2018 of \$46,284 and \$45,982, respectively, for food and other supplies are reflected in the statement of activities.

Marketable securities received by the Center are recorded at fair value on the date received.

### J. <u>Concentrations of credit risk</u>

The Center maintains cash balances at one financial institution. Financial instruments that potentially subject the Center to credit risk are cash balances that exceed the Federal Deposit Insurance Corporation (FDIC) limit.

#### K. Estimates

The preparation of financial statements prepared in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### Note 1 - Summary of Significant Accounting Policies (continued)

### L. Date of management's review

Management has evaluated subsequent events through July 18, 2018, the date the financial statements were available to be issued.

### M. Change in accounting principle

On August 18, 2016, FASB issued Accounting Standards Update (ASU) 2016-14, *Not-for-Profit Entities* (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The Center implemented ASU 2016-14 and has adjusted the presentation in these financial statements accordingly. Except for the disclosure of liquidity and available resources being reported only for the year ending March 31, 2019, the ASU has been applied retrospectively to all periods presented which had no effect on net assets with or without donor restrictions.

### Note 2 - Investments

Investments, reported at fair value, are reported using a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. See note 3 for the fair value hierarchy. The Center determined the following amounts at fair value as of March 31, 2019 and 2018 using level 1 measurements.

	2019	2018
Money market funds	\$ 14,566	\$ 69,096
Certificates of deposit	104,448	0
Equity fund	643	617
	\$ 119,657	\$ 69,713

#### Note 3 – Beneficial Interest in Endowment Held by Others

The Center has adopted accounting policies on the Transfers of Assets to a Not-for-Profit Organization or Charitable Trust that Raises or Holds Contributions for Others. Under these provisions, when a resource provider (the Center) transfers assets to another agency but specifies itself as the beneficiary, the economic benefit remains with the Center. Accordingly, the assets and net assets are included in these financial statements. The Center has granted general variance powers to the Fund. The Center will receive periodic distributions on these investments from the Fund.

Beneficial interest in endowments held by others is reported using a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Financial assets valued using level 1 inputs are based on quoted market prices within active markets. Financial assets valued using level 2 inputs are based primarily on quoted market prices for similar assets in active or inactive markets. Financial assets valued using level 3 inputs are based in unobservable inputs and requires management to use their own assumptions on valuation.

### NOTES TO FINANCIAL STATEMENTS March 31, 2019 and 2018 See Independent Accountants' Review Report

### Note 3 - Beneficial Interest in Endowment Held by Others (continued)

The Center determined the beneficial interest at fair value as of March 31, 2019 and 2018 using level 3 measurements.

Changes in the fair value of the beneficial interest in endowment held by others, level 3 assets, for the year ending March 31, 2019 and 2018:

Less accumulated depreciation	(318,140)	(274,269)
	\$ 690,994	\$ 719,032

In July 2011, the Center moved into a newly constructed rehabilitation facility on land owned by the University of Wisconsin-Waukesha (UW-System) near Oconomowoc, Wisconsin. This new 6,000 sq. ft. facility is located at the UW-Waukesha field station. The land is owned by the UW-System. The Center and the UW-System have entered into a lease for the land for \$1 a year to extend for 25 years. Renewals for subsequent 25-year terms will be granted so long as the land continues to be used for Educational purposes.

### Note 5 - Summary of Operations

The following is a combined summary of activity for the years ended March 31, 2019 and 2018:

	2019	2018

## NOTES TO FINANCIAL STATEMENTS March 31, 2019 and 2018 See Independent Accountants' Review Report

### Note 6 - Liquidity and availability of resources

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following at March 31, 2019:

Cash	\$ 79,350
Investments	119,65
	\$ 199,010

As part of their liquidity management plan, the Center invests cash in excess of daily requirements in short-term investments such as money market funds and savings accounts.

### Note 7 - Recent accounting pronouncements not yet adopted

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, Revenue from Contracts with Customers (Topic 606), which clarifies the principles for recognizing revenue. The core principle of this guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The new standard will supersede all existing U.S. GAAP guidance on revenue recognition and is expected to require the use of more judgment and result in additional disclosures. The FASB has issued several amendments to the original standard, which is effective for annual reporting periods beginning after December 15, 2018. Adoption is to be applied retrospectively. The Center is currently evaluating the impact of ASU 2014-09 on the Center's financial statements and has not yet determined its method of adoption.

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*, which is expected to increase transparency and comparability among organizations. The core principle of this guidance is that a lessee should recognize the assets and liabilities that arise from leases. The standard requires lessees to reflect most leases on their statement of financial position as lease liabilities with a corresponding right-of-use asset, while leaving presentation of lease expense in the statement of activities largely unchanged. The standard also eliminates the real-estate specific provisions that exist under current U.S. GAAP and modifies the classification criteria and accounting which lessors must apply to sales-type and direct-financing leases. The standard is effective for annual reporting periods beginning after December 15, 2019, with early adoption permitted. The Center is currently evaluating the impact of ASU 2016-02 on the Center's financial statements.

In June 2018, the FASB issued ASU 2018-08, Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 958), which clarifies when a transfer of cash or other assets received and made qualifies as a contribution or an exchange transaction and establishes criteria for determining whether the asset provider is receiving commensurate value in return for those assets. The ASU also provides guidance for determining whether a contribution is conditional. The standard is effective for annual reporting periods beginning after December 15, 2018, with early adoption permitted. The Center is currently evaluating the impact of ASU 2018-08 on the Center's financial statements.

### Note 8 - Reclassification

For comparability, certain 2018 amounts have been reclassified to conform with classifications adopted in 2019. The reclassifications have no effect on reported amounts of net assets or change in net assets.
